Welcome to 5013 Devin Green Lane. This former model home, crafted by Batall Builders, is gracefully positioned on a private third-acre lot within an exclusive enclave of luxury residences. The property embodies the art of refined living, where thoughtful upgrades, timeless design, and community amenities converge to create a lifestyle of elegance and ease.

Step inside to freshly repainted interiors (2024) that set a crisp, sophisticated tone. Gleaming hardwood floors extend across the main and upper levels, while the dramatic two-story family room is the showpiece of the home, crowned with soaring cathedral ceilings that flood the space with natural light. The main level also offers a formal living and dining room, a private office, and an oversized mudroom. At the heart of the home, the gourmet eat-in kitchen opens effortlessly to a Trex deck overlooking wooded views. Ideal for gatherings or quiet evenings in.
